What is Café VEF all about?

Come in, get a cup of coffee and a snack, and pull up a chair. Café VEF is a contemporary worship service that focuses on interaction and building community. At Café VEF we combine traditional elements of a worship service with interactive elements similar to cell groups. The service begins with an ice breaker question before we have our call to worship and worship in song. We have “gap time” prior to the message, where those gathered will actively engage in community worship through different activities such as focused prayer for specific needs, testimonies, or topical teaching.

During the sermon, those sitting at tables are invited to participate openly through asking clarifying questions when the need arises. Understanding is enhanced by in-sermon dialogue.

After the message is delivered and the benediction given, attendees are invited to stay for a time of guided discussion and closing prayer. Each table has a “discussion facilitator,” who will use provided materials to help enhance understanding and growth—both spiritually and in community.

Question: "What is a benediction in the Bible?"

<https://www.gotquestions.org/benediction-Bible.html>

Answer: A benediction is a declaration of blessings from God upon His loved ones. Benedictions are found at the close of some New Testament epistles (e.g., [2 Corinthians 13:14](#) and [Ephesians 6:23-24](#)). Benedictions, though brief, offer words of assurance or precepts designed to bring joy, peace, comfort, and security to those who place their trust in God.

Benedictions from Scripture are often read or recited near the close of a worship service. In this context, benedictions embody a call to unity, faith, and joy among the brethren. Reciting a benediction is meant to encourage believers and stimulate joy and commitment to God. Additionally, many believers find meditating on benedictions during their "quiet times" is a soothing balm which deepens the spirit, provides succor for the ailing heart, and strengthens the faltering soul. Benedictions can be a remarkable source of healing because the words themselves are life ([John 6:63, 68](#)). Continue reading at this link:
