### What is Café VEF all about?

Come in, get a cup of coffee and a snack, and pull up a chair. Café VEF is a contemporary worship service that focuses on interaction and building community. At Café VEF we combine traditional elements of a worship service with interactive elements similar to cell groups. The service begins with an ice breaker question before we have our call to worship and worship in song. We have “gap time” prior to the message, where those gathered will actively engage in community worship through different activities such as focused prayer for specific needs, testimonies, or topical teaching.

During the sermon, those sitting at tables are invited to participate openly through asking clarifying questions when the need arises. Understanding is enhanced by in-sermon dialogue.

After the message is delivered and the benediction given, attendees are invited to stay for a time of guided discussion and closing prayer. Each table has a “discussion facilitator,” who will use provided materials to help enhance understanding and growth—both spiritually and in community.

## **Discussion Questions—Matthew 7:15-20**

1. *In v15, Jesus says to “beware of false prophets” – why, do we think? What do we think “prophet” means, usually? What gives us that idea? Can we think of an example of a false prophet in the ancient world? (see e.g., 1 Kings 22; Jeremiah 29) In these days?*
2. *Jesus compares these actors to “wolves” – how do we understand that image? How do we understand the metaphor of devouring people?*
3. *Take a look at the kinds of false prophets or false teachers we find in the New Testament by looking at the following passages: Matthew 24:24; 2 Corinthians 11:4-15; 2 Peter 1:1-2; 1 John 2:22. What do you observe? What kinds of false messages have these false teachers and prophets proclaimed?*
