Prayer Requests

Praise God for an answer to prayer and that Pastor Tom Curry and his wife, Rhonda, have accepted the call to VEF. Pray for them as they prepare to come to Taiwan (hopefully by December)

Recently several new cell groups have started (the Matana CG, MacKay CG, KFCG). Pray that the cell group ministry would be fruitful and there will be opportunities to reach out to unbelievers through these groups.

Many people will be traveling during the holiday weekends in the first part of October. Pray for safe travel.

Question: "How can I experience joy in my Christian life?"

Answer: Joy is something we all long for but that often seems difficult to grab hold of. Experiencing joy should be a part of every Christian's life. Joy is a fruit of the Holy Spirit, produced by God's work in us, and it is part of God's will for us.

We know that even the most mature of God's people experience periods of joylessness. For instance, Job wished he had never been born ([Job 3:11](#)). David prayed to be taken away to a place where he would not have to deal with reality ([Psalm 55:6-8](#)). Elijah, even after defeating 450 prophets of Baal with fire called down from heaven ([1 Kings 18:16-46](#)), fled into the desert and asked God to take his life ([1 Kings 19:3-5](#)). If these men struggled, how can we experience consistent joy in the Christian life?

The first thing is to realize that joy is a gift from God. The root word for joy in the Greek is chara, which is closely related with the Greek [charis](#) for "grace." Joy is both a gift of God as well as a response to the gifts of God. Joy comes when we are aware of God's grace and relish His favor.
