TODAY'S MESSAGE – QUESTIONS TO CONSIDER

1. Can you think of a time that faith in Christ became deeply personal?

3. How has the words of Jesus shaped your life?

ARE YOU IN NEED OF PRAYER?

After the message and during the response song, two of our people will be up front to pray with anyone needing prayer. Are you facing a health crisis? Come pray. Are you facing a family crisis or work problem? Come pray. Have you never been quite sure of your salvation? Come pray.

Most days, they are at the church during the mornings from 8:30 to 12 and then in the afternoons and evenings are working from their home offices or available to visit cell group meetings, in homes or meet for tea/coffee at a restaurant.

The Gospel message text for today is a story known as the transfiguration of our Lord. The transfiguration is one of the miracles of Jesus in the Gospels. This miracle is unique among others that appear in the canonical gospels, in that the miracle happens to Jesus himself. Thomas Aquinas considered the transfiguration "the greatest miracle" in that it complemented baptism and showed the perfection of life in Heaven. The transfiguration is one of the five major milestones in the gospel narrative of the life of Jesus, the others being baptism, crucifixion, resurrection, and ascension. The transfiguration is a pivotal moment, and the setting on the mountain is presented as the point where human nature meets God: the meeting place of the temporal and the eternal, with Jesus himself as the connecting point, acting as the bridge between heaven and earth. Moreover, Christians consider the transfiguration to fulfill an Old Testament messianic prophecy that Elijah would return again after his ascension.
